

The Boise –Eagle ITEX Franchise Office signed the Idaho Hispanic Chamber of Commerce.

Some of our ITEX members along with Brokers William and Sandra Harshman decided to learn Spanish to be able to speak with the 50% of members of the Idaho Hispanic Chamber of Commerce.

A picture has been uploaded featuring our meal at a Mexican Restaurant requesting that the waitress speak to us in Spanish so we could practice our Spanish. Si Hablo Espanol'.

We have had such fun and bonding and now we intend to put together a cruise and vacation to Mexican so members can go to Mexico as a group on ITEX to practice our Spanish this summer.
